EDITOR'S LETTER

Change in seasons brings a change in fashion dynamics, but the festivities never cease. Summer, being the longest season, keeps its theme alive for a longer period of time.

At GulAhmed, we try to evolve the trends through our unique and innovative designs. With the ever-changing buying behavior and increasing demands of our valued customers, we strive even harder to develop designs that you will surely fall in love with.

Every collection is a journey for us, which starts with gaining insights into the buying trends and then contributing to those trends by making them unique.

This Eid, we will take you back in time with our grandiose and magnificent designs inspired by the greatest era of art and culture, that of the Mughals.

We have taken the Mughal legacy of art and culture, and conceived designs that have resulted in the creation of our Royal Festive collection. The inspiration comes from their traditional designs and methods to create a unique blend of modern yet contemporary designs that includes exotic embroideries with zari, block prints, on silks, chiffons and jacquards to simple classic prints.

Our highly experienced creative team of veteran designers are bringing a festive collection that celebrates the greatest of festivals, Eid, with all its zeal and fervour through designs that incorporate the magnificence, opulence and pomp of the Mughal era.

The collection is aesthetically designed to ensure that there is a special Eid ensemble for any occasion - be it a traditional family feast or late formal dinners. Our aim is to make you blend in with the festivity yet stand out of the crowd with our distinct myriad of designs and choices.

We promise to make this Eid your most memorable one yet where differentiation has been kept alive to make you look dazzlingly glamorous with GulAhmed.
